

Once Upon a Musical Costume Breakdown- Sourced by Student

Costumes are to be hired from Academy Arts however below is a list of items to be sourced by students. I have found that some on-line dance stores like www.dancedirect.com are cheaper for dance shoes rather than purchasing from dance shops or alternatively for dance sneakers sports direct sometime do them. Obviously the kids can borrow from people if at all possible. Enquiring to friends who go to dance classes may help. Whenever I go to car boot sales there are always loads of dance shoes around and you may wish to look at Ebay or Facebook Marketplace. Also, if anybody has any old dance shoes they want to sell on or donate please give them to staff.
