Let us introduce ourselves

Academy Arts Theatre School are a performing arts school that run classes and holiday workshops in Ongar, Epping and Chelmsford.

The summer school

Our holiday workshops are open to members and non-members. No previous experience is required, just a keen interest in performing arts. Our summer school workshops are loads of fun and cater for all those talented young actors, singers and dancers out there looking to expand their knowledge and skills in performing arts.

The Brits

This year we thought we'd celebrate the achievements of our home grown British talent. People like Elton John, Queen, Victoria Wood and more recent artists like, Ed Sheeran and Adele. The students will be involved in group scenes and production numbers but will also be able to choose content from artists that they would also like to celebrate.

The students will perform in front of an audience of friends and family on the last day in the Zinc Arts Theatre allowing everyone to see the work they have done during the week. (Covid-restrictions allowing)
